Authorisation to Undertake UEE30820 Licensed Electrician's Assessment (LEA)

Candidate Name:		**Apprentice Epsilon Number: (Trainee ID)**	
Address:			
Email:		**Telephone:**	

Permission from the applicant's RTO serves as approval for ESV's authorised assessment bodies to commence assessment of the applicant as required.

Provision of this form to those bodies will authorise the applicant to undertake the required assessments.

Section 1

In this section, a signature from the Head of Department or Designated Representative, and an RTO stamp allows the candidate to attempt the Safe Working Practice and Licenced Electrician's Theory Assessment.

Authorisation to attempt :
Safe Working Practice (SWP) and Licenced Electrician's Theory (LET) Assessment

I confirm the candidate named above has:

- satisfactorily completed the requirements* of **ALL** core competency units required for the UEE30820 Certificate III in Electrotechnology Electrician, with the exception of UEEEL0039 and UEECO0023; and
- is eligible to attempt the SWP and LET Licensing Assessments.

Name	Signature	Date

RTO STAMP

Section 2

In this section, a signature from the Head of Department or Designated Representative and an RTO stamp allows the candidate to attempt the Licenced Electrician's Practical Assessment.

Authorisation to attempt :
Licenced Electrician's Practical (LEP) Assessment

I confirm the candidate named above has:

- satisfactorily completed the requirements* of **ALL** competency units required for the UEE30820 Certificate III in Electrotechnology Electrician, with the exception of UEECO0023; and
- is eligible to attempt the LEP Licensing Assessment.

Name	Signature	Date

RTO STAMP

*Requirements include completion of the knowledge, practical and workplace components of the units of competence.
